MILWAUKEE DAILY SENTINEL.

NEW SERIES

Milwaukee Daily Sentinel.
SATURDAY MORNING, FEB. 7, 1851.
Rufus King, Wm. H. Watson & John S. Fillmore
EDITORS.
CROWN THE NAME AND FIRM OF
RUFUS KING & CO.
OFFICIAL PAPER OF THE CITY.

For the Sentinel.

The Legislature.

Madison, Feb. 3.

Assembly, 10 A. M. Prayer by Rev. Mr. Elchmann.

Reading of Journal dispensed with.

A communication from R. B. Wentworth was read, in answer to Ex-Secy's Barstow's statement of an error in his account as State Printer.

Petitions etc.

By Mr. Boksin, from W. Welch concerning demands against first constitutional convention for board of members.

Mr. Mott, for repeal of license law.

" Mr. Cato, for ferry at Pt. Bause.

" Mr. Barlow, for Main-hwy.—by Dr. Mead for to-day.

" Mr. Parsons, for plank road charter from Pt. Washington to Milwaukee.

" Mr. Blodget, for associations for settlement of differences.

" Mr. Richardson for modification of school law.

" Mr. Hackett for a law to loan school money to school districts.

" Mr. Strong, against location of Richland county seat.

By Mr. Butler, to amend charter of Potosi and Dodgeville R. R. Co.

By Mr. Gordon, to authorize Racine Co., to borrow \$100,000.

" Mr. Parsons, to amend charter of Duck Creek and Fort Winnebago P. R. Co.

By Mr. Cato, allowing certain persons to keep a ferry.

Bills enacted.

By Mr. Strong, of a bill to repeal chap. 270, laws of 1851.

Resolution by Mr. Cato, concerning printing and publishing of report of State Agcy. after session of 1850.

Resolution by Mr. Sholes, instant appointment to adopt 1850 as the number for assembly districts, and 13500 for Senate. Laid on Standing Committees reported 20 bills.

Bill to extend time of paying interest on School money to 20 years of February, 1852.

The session of 1850 was a counter-democratic session, from Mr. Wentworth, changing that the account came from malice, on account of the opposition by the Argus to Mr. Barstow's nomination, and urging the payment of the balance. It suggests that some \$2000 has been paid from the Treasury to other persons since the time when the account was audit, besides the \$3000 paid out by the Ex-Governor without authority of law. Besides this, it suggests the propriety of an examination into certain contracts made by the Ex-Secretary contrary to law.

It is a very pretty quibble as it stands, with other items of information which are leaking out from time to time, tells a beautiful story of the manner of doing business by the late State officers.

There was also a memorandum of Wm. Welch formerly and now again of the Madison House, asking the redemption of certain pieces of territorial scrip, given to him "long time ago" in payment for victuals and drink of members of that well-considered venerable body, the first Constitutional Convention.

The committees reported some twenty or more bills, the number being of considerable importance. Most of them were referred to the committees on the Judiciary and Investments. Messrs. Butler and Cooper, who reported them, recommended that they be printed and the bills reported from this time forward; a course which will greatly hasten the action of the Senate upon them, and save much unnecessary expense.

The Richland County seat question, it was hoped, was settled last year by directing a vote of the people upon it; but it has remained again this session to plague members, occupy valuable time, and help drain the treasury. It seems that, for some informality, the Supervisors refused to accept and return the vote upon the question.

Subsequently, the Clerk forwarded them to the Senate. Now, petitions and remonstrances are here in abundance, raising another mass on the subject, and the hope that the Legislature will not waste time upon it, but speedily give it its due. One course of the kind is enough for one session.

Mr. Ernest, Chairman of the Committee on Mining and Smelting, surprised the House this morning from its depressed feeling, consequent upon the appearance on the floor of the last mentioned discomfited subject with an admirable report upon that portion of the Governor's Message, all that can, with any hope of success, be expected from Congress, and that the state, in its turn, to itself, ought to put its shoulder to the wheel, and employ a geologist on its own account.

The report was listened to with a great deal of interest in the Assembly, eliciting a vote of thanks from the speaker, and the bill was referred to a committee on Finance under sec. 6, Art V of the Constitution.

Memorial from Argus office, proposing to do certain printing. Referred to Committee on Printing.

Resolution by Mr. Monroe to purchase 2000 copies of Argus statistical chart at 2 cents each.

Mr. Cato moved to make the number 1000.

Mr. Remond moved to my the bill to postpone indefinitely. Lost 20 to 30. Mr. Peter amendment was lost 15 to 32. Mr. Van Nostrand moved to forward 50,000. Mr. Chin accepted the 1000.

Mr. Gifford moved to substitute West Bend for Graton in the bill. Messrs. Butch, Phelps, and Mr. Remond voted for it.

Mr. Johnson spoke in favor of the amendment.
